

On December 26, 1972, the Peppermill Restaurant and Fireside Lounge made their debut and proudly remain as an iconic reminder of the Vegas Strip the way it used to be.

Founded on hearty dishes and oversized portions, today's menu still reflects the same. In fact, the menu features many original items such as the fresh fruit salad, French toast ambrosia and famous Peppermill burger.

Visit our 24-hour Fireside Lounge and delight in a 64-ounce Scorpion or start your morning off with our award-winning Bloody Mary still made from scratch.

Like the Strip itself, the Peppermill Restaurant and Fireside Lounge have been the backdrop for classic films and TV shows like "Casino," "Showgirls," "The Cotton Club," "The Holly Madison Show," "MTV Spain" and "Giada at Home" and boasts their share of famous visitors – including such timeless stars as Dean Martin and Jerry Lewis, to Guy Fieri, Criss Angel and Floyd Mayweather. In fact, Penn Jillette is such a fan that he had a custom booth, modeled after ours, built and installed in his home – now that's a tribute!

Whether you're here for a great meal or to socialize over cocktails, we think you'll agree, some things are better left unchanged. Here's to the way it used to be!
